

MATRIX AWARDS

NEW YORK WOMEN
IN COMMUNICATIONS

Celebrating 50 Years

2020 BALLOT

NOMINATE A WOMAN WHO CONNECTS THE WORLD

Each year the Matrix Awards celebrates the career achievements of women in the communications field with a luncheon in their honor. This annual event, presented by New York Women in Communications, pays tribute to the industry's best and brightest professional women in various fields of communications.

ELIGIBILITY DETAILS

The Matrix Awards are presented annually to women who:

- have achieved the highest level of professional excellence in their fields;
- are recognized for their exceptional abilities, their impact on the communications community, and their capacity to make a difference;
- provide leadership to their constituency;
- have contributed to New York Women in Communications' goal of supporting the advancement of women in the communications field.

The final selection of winners is made by an awards committee comprising representatives of the New York Women in Communications Board and past Matrix winners. The nominee must be available to attend the Matrix Awards Luncheon in order to receive the award.

New York Women in Communications empowers women in all communications disciplines at all stages of their careers to reach their full potential by promoting their professional growth and inspiring them to achieve and share their successes in the rapidly changing world of communications.

A matrix was a metal mold used to cast type for printed material. It represents the beginning of mass communication.

2020 MATRIX NOMINATIONS

The category descriptions provided are merely a guide by which you may select your candidate. Awards will not be given in all categories listed.

Nominations must be postmarked or emailed no later than midnight, Friday, August 9, 2019.
